Student Résumé

Volunteering/Community Service:

- Has been an active member of two Non-profit organizations, called SankalpTaru and PlasticTides. My responsibilities include, but are not limited to, running social media campaigns, conducting tree plantation drives and fundraising. At PlasticTides, my title is Global Youth Leader, and my role involves enabling and guiding youngsters to reduce usage of plastic in their day-to-day lives. I run awareness drives in various schools and hospitals near my vicinity to achieve the same.
- Donated to the Mother Teresa Charity Program run by our school to support the financially challenged students in our school, 2018.
- Donated to UNICEF USA - Project Lion, an initiative to protect orphaned “forgotten” kids of India and provide them with a fair shot at a good life, 2021.
- An active member of WiTS, also known as Women in Tech Society.

Academic Achievements:

- Excelled at school academics:
- Grade 12th, scored 90.1% in CBSE curriculum (was among the top 5% of my class), 2021.
- Mathematics (scored 89% in grade 12). Completed secondary-level courses offered by **TVO ILC** (Calculus & Vectors; scored 92%, and Advanced Functions; scored 91%).
- Created a Python-powered Teacher Management System in grade 12.
- Successfully finished 1st semester at Dalhousie University, with a **CGPA of 3.98**.

Personal Tech Projects:

- Contributed to an open-source python project which aims at **reducing CO2 emission** in the environment, uploaded it on my **GitHub** profile, 2021.
- Developed a simple JavaScript application called *Restaurant Site* as part of my learnings from the Coursera course HTML, CSS, JavaScript for Web Developers. The project follows the best software development practices, uploaded on my GitHub profile, 2021
- Practiced Python programming by solving questions from CodeWars Katas and uploaded it on my GitHub profile, 2021.

School Activities and Honors

- Awarded the 3rd place in an English Debate Competition held in our school, 2019.
